Dear Friends of the Museum,

Your support has been instrumental in our mission to preserve and interpret the History at the Powell County Museum & Arts Foundation, and we appreciate your commitment. It is impossible to continue our growth in the upcoming year without the help of you!

The PCMAF is excited to share with you the progress that has been taking place, and also what is in the works. We are persevering on multiple conservation projects to improve our facilities in 2025, such as:

- A new exhibit in Administration honoring all the Wardens who served at the Old Prison
- The 1912 Cell Block will soon display scenes of what prison time was like during different decades of its use
- New sidewalks will soon adorn the courtyard
- A new addition is in the works for the Auto Collection

Some new benefits to becoming a member include a discounted rental price for the Pen Convention Center - time to start planning that long overdue family reunion! Also, Ghost Tours, Dusk Tours, and Lockdowns are available at 10% off to all members. As always, benefits of being a member will continue to include Newsletters, unlimited admission to all FIVE museums, and 10% off the Gift shop,

The operating expenses to keep our facilities open are ever-increasing, and your annual membership renewal plays a crucial role in sustaining our efforts and driving positive change. **By renewing your membership today, you reaffirm your commitment to the values we hold dear and join us in our ongoing mission to preserve history.**
